

The Money Moon: A Romance

by Jeffery Farnol (1878-1952)

The Money Moon is a light-hearted romance. Jilted in love, our American millionaire hero, George Bellow, takes a walking tour of the Kent countryside to overcome the “Haunting Spectre of the Might Have Been.” Along the way he makes friends with a young boy out to discover a fortune to save his Aunt Anthea from having to sell the family estate, and George discovers his ideal “Arcadia” and true love.
